2340CV

Stitch types

Tri-cover stitch

Three-needle, four-thread cover stitch. For hemming, decorative effects, elastic and durable seams for sportswear.

Narrow cover stitch

Two-needle, three-thread cover stitch. For hemming on fine fabrics, tape binding and top stitching.

Wide cover stitch

Two-needle, three-thread cover stitch. For hemming, top stitching and decorative effects on T-shirts and knits.

Chain stitch

One-needle, two-thread double chain stitch. For tape binding, joining woven fabrics and decorative effects.

Decorative stitch

Create special effects by using novelty threads in the lower looper.
