SWISS DESIGN

The new Elna 5200 and Elna 5300 : sewing reinvented.

NO NEED TO BE WEALTHY TO GET STARTED !

Recycle, customize, be daring: denim does the job (there's no fabric too tough for the Elna 5200 and Elna 5300).

EVEN T-SHIRTS !

Now that's real expertise! Ideal for jersey, stretch-stitch delivers impeccable results with a simple touch.

SPONTANEOUS, SASSY AND SMART : YOUR MACHINE KNOWS ALL THE TRICKS.

Decorative cushions. Create your own range of personalized accessories with Patchwork options.

JUST LIKE A PRO !

Triple-stitching and double-needle, for results that are stylish... and strong!

Fun for everyone with the new Elna 5200 and Elna 5300. These versatile machines can handle any fabric – no matter how tough. So start right here, right now, and create your own personalized wardrobe. Customize it, recycle it, transform it any way you want ; your Elna adapts to every mood, every style. Denim has resisted every fashion cycle for generations ; today, fashionistas are recycling and reinterpreting it. Team up with an Elna 5200 or Elna 5300 and the job's already half-done. Elna's new models are simple, speedy, responsive and fun to use – and equipped with the very latest technology. They are a fresh and inspirational addition to your world – brand new symbols of a society that's constantly reinventing itself.

ONE OF A KIND : NOW YOU'RE THE DESIGNER !

Denim recycled and reused, put together your own special way.

TECHNOLOGY AND SIMPLICITY YOU CAN RELY ON.

With smart electronics it's easy! There's a huge range of buttonholes – for every need and every type of fabric.

HIPPY CHIC, ROMANTIC EMBROIDERY : ANYTHING'S POSSIBLE.

Decorative and festive stitches remodelled for new age fashion!

HAND-MADE IS GREAT. BUT ELNA-MADE IS FAB !

Even basic stitches become decorative with the Elna 5200 and Elna 5300 – massively expanding your horizons.

FOR ALL THE FAMILY

Moveable foot makes hemming jeans simple – for a truly authentic result.
