

000318. Skull Zipper-Pull Decoration

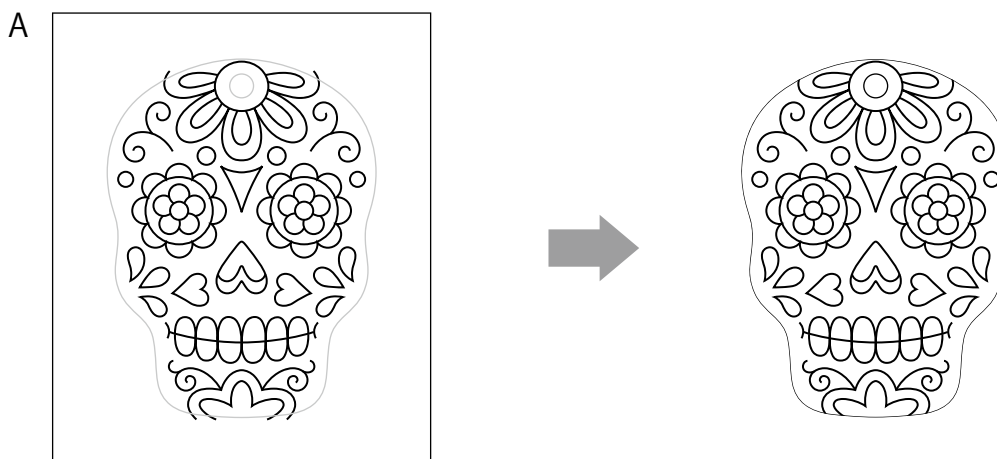

Material

Universal Pen Holder (CAUNIPHL1)
 Shrink plastic sheet (0.3 mm (0.01") thick, white)
 Lobster clasp – 1
 Jump ring (5 mm (0.2")) – 1
 Jump ring (3 mm (0.12")) – 1
 Oil-based pens (black, yellow, orange, purple, gray)
 Oven or toaster oven
 Aluminum foil or baking paper
 Towel
 Oven mitt or pot holder
 Long-nose pliers
 Tissue paper

(1) Insert the black oil-based pen into the universal pen holder, and then install the pen holder in the machine. (For details, refer to the included instructions.)

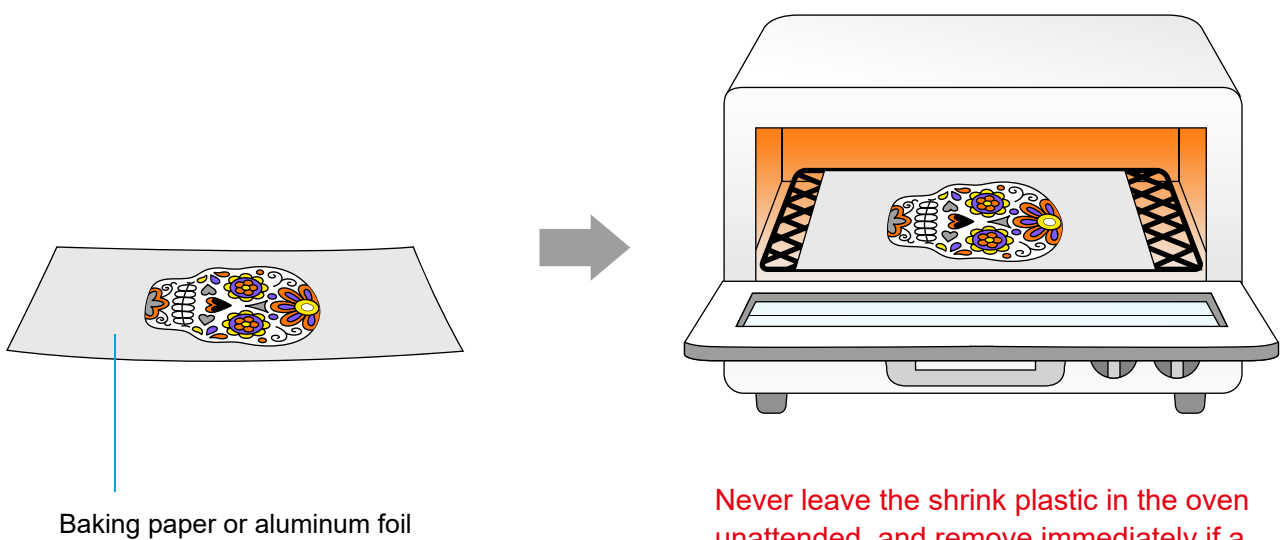

(2) After drawing pattern A on the plastic sheet, install the standard cut blade holder, and then cut out the pattern.

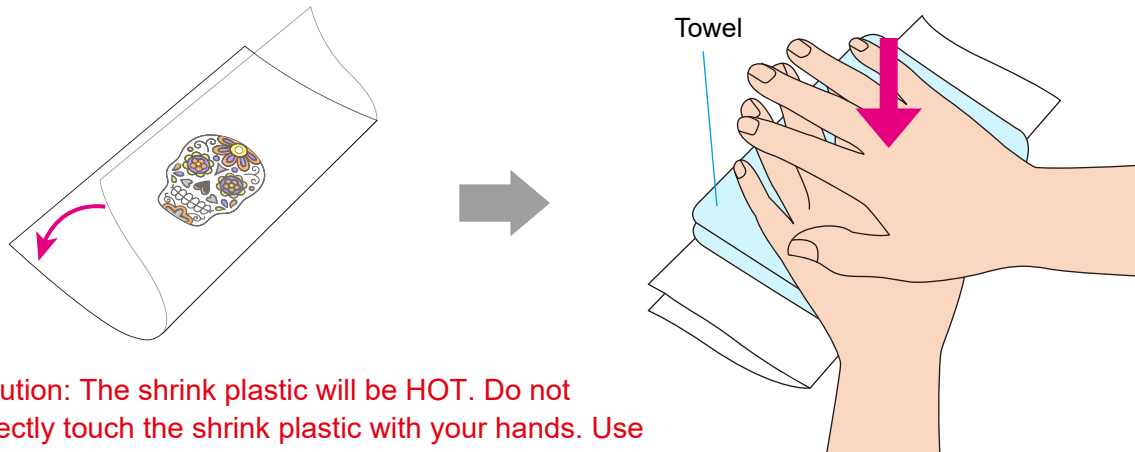

(3) Lightly paint with the oil-based pens as shown below. Lightly blot painted areas with tissue paper to remove excess ink.

(4) Preheat the oven. Place the piece from step (3) on aluminum foil or baking paper and bake it. (For the temperature setting and baking details, refer to the instructions included with the shrink plastic sheet.)

(5) After baking, use the oven mitt or pot holder to remove the shrink plastic from the oven. Fold the baking paper over the shrink plastic while it is hot, and then press down to flatten it. Otherwise, place a weight, such as a thick book, on top.

Caution: The shrink plastic will be **HOT**. Do not directly touch the shrink plastic with your hands. Use caution when handling before it has cooled.

(6) Attach the jump rings to the hole at the top, and then attach the lobster clasp, as shown below.
